Journal of the Torrey Botanical Society 125(4), 1998, pp. 327–329

INDEX TO VOLUME 125, 1998

A ten-year seed bank study of old field succession in central New Jersey, 11
A case study of sugar maple (*Acer saccharum*) as a forest seedling bank species, 287
A rapid system of decay classification for hardwood logs of the eastern deciduous forest floor, 237
ABRAMS, M. D., archival and current lightening strikes and fires, 249
Acer saccharum, as a forest seedling bank species, 287
adelgid, forest response to, 60
Aeschynomene virginica, 246
Allegheny plateau, seed banks of riparian forests, 199
Alliaria petiolata, demographic variation, 138
anatomy, floral morphology of Bonnetiaceae, 268
ANSLEY, JOLIE-ANNE, forest composition, structure, and change in an old-growth mixed conifer forest, 297
Apalachicola river bluffs, 309
Araceae, vessels in Philodendroideae, 253
archival, and current lightening strikes, 249
ARTHUR, M. A., single and repeated fires in an oak-pine forest, 225
Asclepiadaceae, *Gonolobus suberosus*, 183
Asteraceae, *Wilkesia*, 261

BASKIN, JERRY M., salinity effects on seed germination and viability of *Aeschynomene virginica*, 246
BASKIN, CAROL C., salinity effects on germination and viability of *Aeschynomene virginica*, 246
BATTLES, JOHN J., forest composition, structure, and change in an old-growth mixed conifer forest, 297
BLANKENSHIP, B. A., single and repeated fires in an oak-pine forest, 225
BONANNO, SANDRA E., dune vegetation under high and low recreational uses, 40
Bonnetiaceae, floral anatomy and morphology, 268
Brassicaceae, *Alliaria petiolata*, 138
breeding system, of *Gonolobus suberosus*, 183
BREWER, J. STEPHEN, species richness in a slash-pine savanna, 216
BROWN, MICHELLE M., decay classification for hardwood logs, 237
Bryophytes in old-growth forests of western Massachusetts, 117
Buchloe dactyloides, expansion at a disturbed site, 319
BYERS, DIANE L., demographic variation in *Alliaria petiolata*, 138

cactus species, seed germination, 33
Can disturbance create refugia from herbivores: an example with hemlock regeneration on treefall mounds, 165
CARLQUIST, SHERWIN, vessels in Philodendroideae, 253; wood anatomy of *Wilkesia*, 261
CARSON, WALTER P., disturbance created refugia from herbivores, 165
CHAFFINS, MELONY, salinity effects on germination and viability *Aeschynomene virginica*, 246
conifer forest, Sierra Nevada, 297
conservation, use of *Buchloe dactyloides*, 319
COOPER-ELLIS, SARAH, bryophytes in old-growth forests, 117
corn (*Zea mays*), prehistoric planting in New York City, 74
CRONQUIST, ARTHUR, (author of reviewed book), 89, 169
CURTIS, JOHN D., foliar idioblasts in *Physotegia virginiana*, 133

decay classification, for hardwood logs, 237
Demographic variation in *Alliaria petiolata* (Brassicaceae) in four contrasting habitats, 138
DICKISON, WILLIAM C., Floral morphology and anatomy of Bonnetiaceae, 268
Discontinuous hydration as a facultative requirement for seed germination in two cactus species of the Sonoran Desert, 33
disturbance, creates refugia from herbivores, 165
DONOVAN, LISA A., ecophysiology of *Quercus laevis*, 3
DUBROVSKY, JOSEPH G., discontinuous hydration and seed germination in cactus species, 33
dune, vegetation under high and low recreational uses, 40

Ecophysiological differences among growth stages of *Quercus laevis* in a sandhill oak community, 3
Ecophysiology, of *Quercus laevis*, 3
Effect of salinity on germination and viability of nondormant seeds of the federal-threatened species *Aeschynomene virginica*, 246
endangered species, *Aeschynomene virginica*, 246
Evidence of prehistoric corn (*Zea mays*) and hickory (*Carya* spp.) planting in New York City: vegetation history of Hunter Island, Bronx County, New York, 74

Fabaceae, *Aeschynomene virginica*, 246
FAHEY, TIMOTHY J., changes in an upland forest, 51
FARRAR, DONALD R., tropical flora of rockhouse cliff formations, 91
fires, from lightening strikes, 249; in an oak-pine forest, 225
Floral morphology and anatomy of Bonnetiaceae, 268
Florida, Apalachicola river bluffs, 309
Foliar idioblasts in *Physotegia virginiana* (Lamiaceae), 133
Forest composition, structure, and change in an old-growth mixed conifer forest, 297
Forest response to the introduced hemlock woolly adelgid in southern New England, USA, 60
FOSTER, DAVID R., forest response to the hemlock woolly adelgid, 60
Frullania bolanderi, in old-growth forests, 109

GARDESCU, SANA, sugar maple as a seedling bank species, 287
GEAGHAN, JAMES P., tree species in steepheads, 309
GIBSON, DAVID J., (book review), 324
Gonolobus suberosus, reproductive biology of, 183
GRIFFITH, CONVERSE, JR, *Viola blanda* response to phosphorus fertilization and shading, 194

HANLON, TERESA J., seed banks of riparian forests, 199
hardwood logs, decay classification, 237
hemlock, regeneration on treefall mounds, 165
hemlock woolly adelgid, forest response to, 60
herbivores, disturbance creates refugia, 165

hickory (*Carya* spp.), prehistoric planting in New York City, 74
HOLMGRAN, NOEL H., (author of reviewed book), 89, 169
HOLMGRAN, PATRICIA K., (author of reviewed book), 89, 169
Hunter Island, vegetation history, 74
hydration, and seed germination in cactus species, 33

Intermountain Flora; Volume 3A: subclass Rosidae (except Fabales) (reviewed book), 89, 169

KWIT, CHARLES, tree species in steepheads, 309

Lamiaceae, *Physotegia virginiana,* 133
LECK, MARY ALLESSIO, seed bank study of old field succession, 11
LECK, CHARLES F., seed bank study of old field succession, 11
LEOPOLD, DONALD J., dune vegetation under high and low recreational uses, 40
LERSTEN, NELS R., foliar idioblasts in *Physotegia virginiana,* 133
Lightening strikes and resultant fires from archival (1912–1917) and current (1960–1997) information in Pennsylvania, 249
lightening strikes, archival and current, 249
LIPOW, SARAH R., reproductive biology of *Gonolobus suberosus,* 183
liverwort, *Frullania bolanderi,* 109
LOEB, ROBERT, prehistoric corn and hickory planting in New York City, 74
LONG, ZACHARY T., disturbance created refugia from herbivores, 165

MABBERLEY, D. J., (author of reviewed book), 169
MARKS, PETER L., sugar maple as a seedling bank species, 287
MARKS, P. L., succession on abandoned cultivated and pastured land, 150
MILLER, NORTON G., *Frullania bolanderi* in old-growth forests, 109
MILLER, ANDREW D., *Frullania bolanderi* in old-growth forests, 109
monocotyledons, vessels in Philodendroideae, 253
MORGAN, DAVID R. (book review), 89, 169.
morphology, floral anatomy of Bonnetiaceae, 268

Natural expansion of *Buchloe dactyloides* at a disturbed site in New Jersey and its implications for turf and conservation uses, 319
New England, forest response to hemlock woolly adelgid, 60
New Jersey, seed bank of old field succession, 11; *Buchloe dactyloides* expansion, 319
New Flora of the British Isles, Second Edition (reviewed book), 324
New York, succession on abandoned land, 150
New York City, vegetation history of Hunter Island, 74

oak-pine forest, fire effects, 225
Occurrence of the leafy liverwort, *Frullania bolanderi,* in old-growth forests of northeastern North America, 109
old field succession, seed bank of, 11
old-growth forests, bryophytes, 117; *Frullania bolanderi* in, 109
old-growth mixed conifer forest, composition, structure, and change, 297
Origin and nature of vessels in monocotyledons. 4. Araceae subfamily Philodendroideae, 253
ORWIG, DAVID A., forest response to the hemlock woolly adelgid, 60

PAPPERT, REBECCA A., ecophysiology of *Quercus laevis,* 3
PARATLEY, R. D., single and repeated fires in an oak-pine forest, 225
Patterns of plant species richness in a wet slash-pine (*Pinus elliottii*) savanna, 216
Pennsylvania, archival and current lightenting strikes, 249
PETERSON, CHRIS J., disturbance created refugia from herbivores, 165
Philodendroideae, vessels in, 253
phosphorus fertilization and shading, *Viola blanda* response, 194
Physotegia virginiana, foliar idioblasts in, 133
Pinus elliottii savanna, species richness patterns, 216
PLATT, WILLIAM J., tree species in steepheads, 309
PYLE, CHARLOTTE, decay classification for hardwood logs, 237

Quercus laevis, ecophysiology in a sandhill oak community, 3
QUINN, JAMES A., demographic variation in *Alliaria petiolata,* 138; *Buchloe dactyloides* expansion at a disturbed site, 319

Recent changes in an upland forest in South-central New York, 51
recreational uses, effects on dune vegetation, 40
refugia, from herbivores, 165
Reproductive biology and breeding system of *Gonolobus suberosus* (Asclepiadaceae), 183
riparian forests, seed banks, 199
river bluffs, Apalachicola, 309
rockhouse cliff formations, tropical flora, 91
Rosidae, (reviewed book), 89, 169
RUFFNER, C. M., archival and current lightening strikes and fires, 249

salinity effects, seed germination and viability, 246
sandhill oak community, with *Quercus laevis,* 3
SCHNEIDER, EDWARD, vessels in Philodendroideae, 253
SCHWARTZ, MARK W., tree species in steepheads, 309
seed germination, in cactus species, 33; of *Aeschynomene virginica,* 246
seed bank, of old field succession, 11; of Allegheny plateau riparian forests, 199
seedling bank, *Acer saccharum* in, 287
shading and phosphorus fertilization, *Viola blanda* response, 194
Single and repeated fires affect survival and regeneration of woody and herbaceous species in an oak-pine forest, 225
slash-pine (*Pinus elliottii*) savanna, species richness patterns, 216
Soil seed banks of Allegheny plateau riparian forests, 199
Sonoran Desert, and germination of cactus species, 33
South-central New York, upland forest changes, 51
species richness, in a wet slash-pine (*Pinus elliottii*) savanna, 216

ST. HILAIRE, LISA R., dune vegetation under high and low recreational uses, 40
STACE, CLIVE, (author of reviewed book), 324
steepheads, tree distributions in, 309
STOVER, M. E., succession on abandoned cultivated and pastured land, 150
succession, seed bank of old fields, 11; on abandoned cultivated and pastured land, 150
Successional vegetation on abandoned cultivated and pastured land in Tompkins County, New York, 150
sugar maple (*Acer saccharum*), as a forest seedling bank species, 287

The tropical flora of rockhouse cliff formations in the eastern United States, SPECIAL PAPER, 91
The response of *Viola blanda* Willd (Violaceae) to phosphorus fertilization and shading, 194
The distribution of tree species in steepheads of the Apalachicola river bluffs, Florida, 309
The Plant-Book. A portable dictionary of the vascular plants. Second Edition (reviewed book), 169
Tompkins County, succession on abandoned land, 150
tree species, in steepheads, 309
treefall, hemlock regeneration on mounds, 165
tropical flora, of rockhouse cliff formations, 91
turf, use of *Buchloe dactyloides*, 319
TYNDALL, R. WAYNE, salinity effects on seed germination and viability of *Aeschynomene virginica*, 246

upland forest, in South-central New York, 51

Vegetation of a freshwater dune barrier under high and low recreational uses, 40
vegetation history, of Hunter Island, 74
vessels, in Philodendroideae, 253
Viola blanda, response to phosphorus fertilization and shading, 194
Violaceae, *Viola blanda*, 194

WARE, STEWART, (book review), 169
WEITZMAN, ANNA L., floral morphology Bonnetiaceae, 268
Wilkesia, wood anatomy, 261
WILLIAMS, CHARLES E., seed banks of riparian forests, 199
Wood anatomy of *Wilkesia* (Asteraceae) with relation to systematics, organography, and habit, 261
WYATT, ROBERT, reproductive biology of *Gonolobus suberosus*, 183
